What do you think is the best age for...?

- first going on holiday without your parents
- starting to learn a musical instrument
- starting to use social media
- starting to save money
- moving out of your parents' home
- having your first baby
- retiring

The image shows a worksheet with a list of activities and a large speech bubble. The activities are: first going on holiday without your parents, starting to learn a musical instrument, starting to use social media, starting to save money, moving out of your parents' home, having your first baby, and retiring. The speech bubble is empty and has a tail pointing towards the bottom right.
